C-lessons Task 01

Write a c program which iterates over the the numbers 1 to 100 and prints "Fizz" on the numbers divisable by 3, "Buzz" on the numbers divisable by 5 and "FizzBuzz" on numbers divisable by 3 and 5.

Hint: the Modulo operator % gives you the remainder of a division. $> 15\%2 == 1 > 15\%3 == 0$

If you want us to have a look at your code, mail it to c-lessons@deutschland.gmbh
